

Aside from competitions and B2B research, where we usually study more than ten organizations simultaneously, we are also involved in projects with companies that seek in-depth knowledge about themselves. We have completed many research projects in various organizations, and they usually conclude with presenting the results to the management and employees and discussing our findings.

Companies that were diagnosed with our questionnaires include include:

- Astor Sp. z o.o.
- BASF Agro Polska Sp z o.o.
- Kurier Brzeski
- Małopolski Instytut Samorządu Terytorialnego
- Opel Euromarket
- WSK PZL "Świdnik"
- Tasman Fish Product
- Vertex Sp. z o. o.
- Zakłady Elektroenergetyczne Energotest - Energopomiar
